TERMS AND CONDITIONS

Subject to the conditions and limitations stated in this document, Custom Building Products (CBP) guarantees to the original owner that the CBP installation system will be free from manufacturing defects and will not break down or deteriorate under normal usage for 1 year when installed in accordance with CBP most recently published specifications and industry standard guidelines for tile installation. CBP will not be responsible for system failure resulting from the use of competitive or non-specified products. The potential for efflorescence and shading is inherent in all cementitious products and is not considered a manufacturing defect.

THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS - YOU MAY ALSO HAVE OTHER RIGHTS WHICH VARY ACROSS JURISDICTIONS. This warranty is in place of all other warranties and conditions, express or implied. CBP expressly disclaims any other warranties and conditions, including statutory warranties and conditions and warranties and conditions of merchantability and fitness for a particular purpose other than the warranty expressly stated herein. Some jurisdictions do not allow disclaimers of implied warranties and conditions or limitations on how long an implied warranty or condition lasts and do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. Although CBP may have suggested the material or developed the material at the request of the owner or applicator, it is the responsibility of the owner to test and determine the suitability of the material for the intended use and purpose, and the owner assumes all risk and liability whatsoever regarding such suitability.
