3 Product Description
A mild abrasive cream cleaner designed to work where other cleaners won’t. It utilizes micro-sized particles to penetrate into small surface pores where it can effectively work to remove surface stains and residues. Effective for cleaning all stone and tile surfaces. Also removes factory-applied waxes, coating sealers, light grout residue (including epoxy), rubber and pencil marks, light mineral deposits, ground-in dirt and most sealer residues. NanoScrub® is non-flammable and non-acidic.

Key Features
- Dissolves ground-in dirt from textured surfaces
- Removes factory applied waxes and floor finishes
- Breakthrough NanoSTG™ technology

Uses
Porcelain, ceramic, polished and unpolished natural stone (such as granite, limestone, marble, slate, and travertine), grout, quarry, saltillo, terra-cotta, cement pavers, masonry surfaces, and other stone, tile and grout surfaces.

Limitations to the Product
Do not allow product to come in contact with any non-recommended surface, including (but not limited to) onyx and soft limestone.

Environmental Consideration
Complies with all Federal EPA and SCAQMD standards for VOC

5 Instructions
General Surface Prep
Test in a small, inconspicuous area according to application instructions to determine desired results.

Application of Product
USE CHEMICAL-RESISTANT GLOVES, such as nitrile, when handling product.

Read entire label before using. SHAKE WELL BEFORE USING. Sweep, vacuum, or dust surface to remove any loose debris. Pre-wet surface with a liberal amount of water. Apply NanoScrub® directly to the wet surface. Agitate with a white nylon pad, scrub brush or scrub machine. Mop or wet vacuum up residue. Rinse thoroughly with clean water. NanoScrub® can be used as a power booster with any Aqua Mix® cleaner or problem solver, mixed according to directions. Apply chosen product to surface, add NanoScrub® and agitate mixture. Continue to follow directions on the chosen product making sure a clean water rinse is the final step to remove any remaining residue.

Cleaning of equipment
Clean tools with water before material dries.

Health Precautions
MAY BE HARMFUL IF SWALLOWED. MAY IRRITATE EYES AND SKIN. Wear skin and eye protection. Contains coconut oil, DEA and ethoxylated alcohol. If in eyes, flush with water for at least 15 minutes. If on skin, wash with soap and water. If irritation persists, seek medical attention. If swallowed, DO NOT induce vomiting, seek medical attention. KEEP OUT OF REACH OF CHILDREN
