TileLab® Grout Haze Remover

1. **Product Name**

   TileLab® Grout Haze Remover

2. **Product Description**

   A pre-mixed, ready-to-use, mild acid solution. Removes dried Portland cement grout haze and mortar residue from tile, concrete and masonry. Safe for use on colored grouts. Removes hard water deposits, efflorescence and also etches concrete.

   Key Features

   - Liquid acidic treatment
   - Removes efflorescence

   Uses

   Used for removal of dried Portland cement grout and mortar residue from the surface of glazed and unglazed ceramic tile, concrete and masonry. It is ideal for neutralizing efflorescence. It can also be used to slightly etch concrete surfaces to create a better bond for adhesives.

   Limitations to the Product

   May etch some glazed tile. Do not use on marble or polished stone. Do not allow product to contact metal objects. Do not transfer contents to unlabeled containers.

   Packaging

   1 quart (946 mL) bottle

   Technical Chart

   - pH of mixed solution is 2-3
   - Complies with all Federal and CARB Standards for VOC

   Application of Product

   WEAR IMPERVIOUS GLOVES, such as nitrile, eye protection and protective clothing when handling product.

   Read entire label before using. Follow surface preparation instructions. Surface must be saturated with water at least one hour prior to acid solution application. Avoid contact with metal. Scrub surface with a nylon bristled brush after applying solution. Work in small areas only. Flush with water immediately after brushing surface. Do not allow solution to set longer than is necessary for brushing to be completed on Portland cement grout, glazed ceramic and unglazed quarry tile or masonry installations. Wash thoroughly with water as soon as brushing is completed. Do not use repeated acid washings as damage to surface may result. For heavy concrete etching, solution may be allowed to set on surface of concrete for up to 30 minutes prior to flushing with clean water.

   Health Precautions

   IMPORTANT: Read carefully before using. WEAR IMPERVIOUS GLOVES, such as nitrile, eye protection, and protective clothing. DANGER: CORROSIVE TO THE SKIN AND EYES. May be harmful if swallowed. Do not mix with other chemical products. Do not get in eyes. Do not get on skin or clothing. Do not breathe in vapors. Do not take internally. Immediately wash contaminated body and clothing thoroughly. Use in well-ventilated areas. Take off contaminated clothing and wash before reuse. If eye or skin contact occurs: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If inhaled: Remove person to fresh air and keep comfortable for breathing. If swallowed: Rinse mouth. Do NOT induce vomiting. Immediately seek medical advice or attention if symptoms are significant or persist. In Emergency: 1-800-535-5053. **Contains: Glycolic acid.** Before handling read Safety Data Sheet at www.custombuildingproducts.com. **KEEP OUT OF REACH OF CHILDREN.** For more ingredient information please visit www.custombuildingproducts.com/cleaning **WARNING:** This product can expose you to chemicals including formaldehyde, which is known to the State of California to cause cancer.
