3. **Product Description**

   Removes and inhibits efflorescence. Eff-Ex® is a non-acidic (pH 7.4), heavy-duty cleaner.

   Key Features

   - Inhibits the reoccurrence of efflorescence
   - Non-acidic formula

   Uses

   - Natural stone (such as marble, granite, slate, travertine, and limestone), porcelain, quarry, saltillo, terra-cotta, cement pavers, masonry surfaces, and other porous tile and grout where a natural look is desired. See the limitations section for information regarding polished natural stone.
   - Effective for interior and exterior applications.

   Limitations to the Product

   - Do not allow product to come in contact with any non-recommended surface.
   - Not recommended for use on polished marble, limestone, and travertine surfaces.
   - If efflorescence appears after surface is sealed, Eff-Ex® will remove the efflorescence but its ability to inhibit efflorescence is reduced.
   - Not intended for the treatment or removal of hard water build-up and deposits.

   Technical Chart

Property	Typical Result
pH	7 - 9

   Environmental Consideration
   Complies with all Federal EPA and SCAQMD standards for VOC

4. **Instructions**

   General Surface Prep
   Test a small, inconspicuous area according to application instructions to determine desired results.

   Application of Product
   USE CHEMICAL-RESISTANT GLOVES, such as nitrile, when handling product.

   To Remove Efflorescence: Read entire label before using. Do not dilute product. For best results it is recommended to pre-wet the surface with water, avoid puddling and remove excess water before applying solution. Apply solution with mop, sponge applicator, paint roller or brush. Allow to dwell 30-60 minutes. Do not allow solution to dry on surface. Apply additional solution if drying occurs. Agitate with scrub brush or scrub machine. Thoroughly rinse with clean water. For vertical surfaces a garden hose or high-pressure washer may be used to rinse area. Mop or wet vacuum up dirty solution. Heavily built-up efflorescence may require additional applications and a longer dwell time. Allow area to dry 24 hours prior to sealing area with any Aqua Mix® sealer.

   To Inhibit Efflorescence: Apply a thin coat of solution with mop, sponge applicator, paint roller or brush. Scrub into surface with scrub brush or scrub machine. DO NOT RINSE. Wipe dry any product remaining on the surface. Two to three treatments may be required to fully inhibit efflorescence. Allow area to dry 24 hours prior to sealing area with any Aqua Mix® sealer.

   Health Precautions
   MAY BE HARMFUL IF SWALLOWED. MAY IRRITATE EYES AND SKIN. Wear skin and eye protection. Contains trisodium citrate dihydrate, sodium tripolyphosphate, and Beta-Alanine, N -(2-carboxyethyl)-N-(2-ethylhexyl)-monosodium salt. If in eyes, flush with water for at least 15 minutes. If on skin, wash with soap and water. If irritation persists, seek medical attention. If swallowed, DO NOT induce vomiting, seek medical attention. KEEP OUT OF REACH OF CHILDREN.

5. **Size & Availability**

Location	Item Code	Size	Package
USA	100472	1 gallon (3.8 L)	Bottle
USA	020374	5 gallon (19 L)	Pail
USA	100474*	55 gallon (210 L)	Drum
Canada	C100913-4	1 qt (946 ml)	Bottle
Canada	C100472	1 gallon (3.8 L)	Bottle

   * Indicates a special order item

6. **Product Warranty**
   Custom® Building Products warrants to the original purchaser that its product shall be free from defects in material and workmanship under normal and proper usage for a period of one year following the date of original purchase. Custom's® sole liability under this warranty shall be limited to the replacement of the product. Some

Aqua Mix® Eff-Ex®

states, countries or territories do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty will not extend to any product which has been modified in any way or which has not been used in accordance with Custom's® printed instructions. Custom® makes no other warranties either expressed or implied. This warranty gives you specific legal rights, and you may have other rights that vary from state to state or from one country or territory to another.
